COMPANY PROFILE

Since 1984, Pharma Synth Formulations Limited has emerged as one of the leading Pharmaceutical Company with strong manufacturing base in Delhi and Haridwar.

Over a period of three decades, Pharma Synth has earned a prime place amongst the manufacturers, trade and medical profession. Company has set up GMP certified, state-of-the-art manufacturing unit in holy city of Haridwar to produce quality medicines, aiming to serve the ailing humanity with a religious and patriotic personal touch to everyone, as we believe in God, as well as in our sovereignty.

The unit has latest and sophisticated machines to produce world class and contamination free products. All the inputs (raw materials, packaging materials, consumable etc.) has to pass through astringent quality tests, and only high quality materials are used to produce our formulations.

To keep pace with growing technological advancements, all our technical staff is exposed to a regular periodical and on line in-house training, so that they may use the validated methods and procedures perfectly, to produce zero-defect and cost effective final products.

Apart from GMP and ISO certificates, the company has been conferred with "Excellence Award" by IES, New Delhi in 1997, "International Star Award" for Quality in Gold category by BID in their Geneva convention-2007. The "National Award-2007" was conferred on us for Quality by Ministry of MSME, Govt. of India and presented by the Hon'ble Prime Minister Dr. Manmohan Singh and a "Special Recognition Award" was also presented by Govt. of UK. In 2010, National Productivity Council of India, presented "MSME Award" to us for excellence in productivity. We are also conferred with "Fair Business Practices Award" in 2011. The most prestigious "Rajiv Gandhi National Quality Award-2011" was conferred on us by the Ministry of Consumer Affairs, Govt. of India.

A team of renowned and highly professional consultants are on our panel, to get valuable support for development of new molecules and technical up-gradation to tune up with ever changing time and technology.

Today Pharma Synth is proud of its capabilities in manufacturing of Tablets, Capsules (including Beta-Lactum), Liquid Orals, Powders, Ointments, Creams, Ear drops, Enema and various other dosage forms.

Apart from manufacturing, we are committed to develop individuals, who are dedicated to serve the Organization, the Society and the Humanity as a whole. The company is also known for its social and patriotic activities.

We have a dedicated and committed team of honest and result oriented people. They are putting their smart efforts from sunrise to sunset with the aim to promote the products vigorously and to establish them as brand leaders in various therapeutic segments.

Our motto is to serve the ailing humanity by making world class quality medicines, readily available at every nook and corner of the country, at an affordable price. And promoting the philosophy, that-

औषधि निर्माण केवल व्यापार ही नहीं, मानव सेवा भी है ।
